Eucharistic Revival Information

One Nation Under God

Over 50,000 souls encountered Jesus in the Eucharist along the Cabrini route. The Pilgrimage that started in Florida and processed to Philadelphia touched many hearts as many Americans have been seeking to truly become one nation under God. If you missed any of the pilgrimage, go to Eucharistic Revival and EWTN news channel on YouTube. There you can see the procession in and out of Saints Peter and Paul Church in Philadelphia, as well as other sites along the route. Also see the message that Pope Leo gave to everyone at the church as he addressed the Pilgrims and all of us.

The Catholic story in America is older, deeper, and more surprising than most people know. Understanding it can change how you understand your identity as both a Catholic and an American. This summer in tandem with the NEP, One Nation Under God: A National Lecture Series offers participants rich insights and ancient wisdom by looking at our country Through the lens of the Church. You'll learn from some of the nation's leading Catholic educators and thinkers. This series is free on the Manna app which is the digital content platform of the National Eucharistic Congress. The series drops every Monday through the summer and can be accessed on the app at any time. Let us pray for our country's development of the parish.

PRAYER

Father in heaven, I know that you will always be with me. I know that you will help me to raise my baby, and that with your help I can do anything I have to do. Still, I ask your help in deciding what is truly best for my baby and for me. Will we both be better off in the long run if I give him up for adoption? Help me to decide, dear Lord, and then to go forward confidently with the decision that you guide. Through Jesus my Lord. Amen.
